

Hi there!

Here is your Testimonials Sections layout
for Divi Theme by Ania Romańska Divi Lover.
You are free to use and edit it for any personal or commercial project.

To use these layout you need to have the Divi theme or Divi builder plugin
for WordPress installed (version 4.23 and up).
It is not included with this product.

Installation Options

This package includes two JSON files for easy access:

Divi_Library_Divi_Lover_Testimonials.json

Upload this file directly to your Divi Library for easy access and reuse across multiple pages.

Page_Layout_Divi_Lover_Testimonials.json

Upload this file directly onto any WordPress post or page with the Divi Builder enabled.
Simply click the Import icon in the Divi Builder to load the layout onto your page!
